

Your Single Source Solution For Industrial Repair

WHELCO INDUSTRIAL

Many industrial users of electric motors discard their *FAILED* electric 1/4 HP – 10 HP motors and never know why they failed.

We will provide your company with a
ROOT CAUSE FAILURE ANALYSIS

at

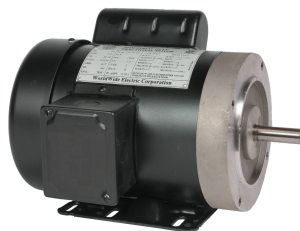

NO COST

in exchange for allowing us to quote you a WORLDWIDE ELECTRIC motor as a replacement and SAVE your company up to 10-20%.

If this is how you are currently managing your failed motors, you have another option.

Send us your Failed Motor, because WE HAVE A SOLUTION!

**56-254 or 1/4HP – 10HP.*
